CONTACT COLUMBIA LOCKERS® AT 1-866-337-7286 TO REQUEST AN ACTUAL PANEL FOR A CLOSER MATCH.

Columbia Lockers® is proud to announce the first HDPE Antimicrobial Locker. It is manufactured with Columbia Guard®, a permanent antimicrobial agent that is embedded into the HDPE material during manufacturing. This agent kills bacteria immediately upon contact with the Locker surfaces and has an efficacy rating of 4.0 or greater when tested in accordance with the JIS Z 2801 Quantitative Test.
